FROM THE GENERAL MANAGER.....

"O Thus be it ever when Free-men Shall stand
Between their loved home and wild war's desolation
Blest with victory and peace, may the heaven-
received land
Praise the power that hath made and preserved
us a nation!
Then conquer we must, when our cause it is just,
And this be our motto: "In God is our Trust!"
And the Star Spangled banner in triumph shall
wave
O'er the land of the free and the home of the
Brave!

ARRL CONVENTION

DESMOINES IA

The visit to the National ARRL convention in Des Moines June 20 thru June 23rd 1969 was very productful. Met a good many of the fellows who are in attendance at most conventions such as W1LVQ, W1QV, And W8WC with that big smile of his all over the place. WØCK made arrangements for the QCWA Sunday morning breakfast in the Fort Des Moines Hotel. The breakfast was a huge success over 65 in attendance, and chapter chairmen from Tulsa and mid continent enjoying the visit with friends and QCWA members. Other chapters were represented, Michigan, Dallas Chicago and NW. Andy did not get up in time for the breakfast, maybe that last drink had some thing to do with it. Don Meserve was on hand and where you see Don there is Andy. Joe Nameth W8NBF was very helpful in assisting me in the QCWA booth, he is quite a salesman signing up the new members. Wonder what happened to Andy?

We signed up 14 new members, 2-W3's, 1-W9 and 11-WØ's. Plus we received \$25 from W9BY2 who was re instated as a life member. Getting back to the breakfast it was nice seeing our lady QCWA members in attendance, we had two XYL members there. I know this, it was great to see old friends socializing during the breakfast and see themselves enjoying the chit-chat. I do not know who first started this idea of a breakfast, but it is a great idea and should be continued at every convention. I have a feeling that the idea orginiated in Southern Calif.

It was a great show and the convention committee is to be commended for a fine organization and well placed booths. QCWA booth was prominent in that it was near the registration area. WØ's certainly do things the right way. QCWA thanks the committee for a fine booth assigned to us. A great show indeed

HEADQUARTERS

The QCWA Board of Directors held its 28th meeting on June 18, 1969 in the Engineers Club in New York City. The following is a summary of the Board's actions;

1-Voted to hold the 1969 Annual meeting on Friday Oct 24, 1969 at the Engineer's Club, 32 West 40th St., New York, NY. A dinner will be held in connection with the meeting. The cost is \$8.50 and tickets may be procured from the General Manager W2JE.

2- A nominating committee comprising Dr. A. L. Walsh, W2BW, Chairman, Messrs. G. W. Bailey W2KH, and A. E. Miligan W8ALP, was appointed in connection with the forthcoming election of Officers and Directors for the next two years. Therefore any petitions signed by 100 or more members in good standing must be received by the Secretary on or before August 25, 1969 in accordance with Article VI, Sec 2 of the by-laws.

3- In view of increased costs, the price of the QCWA pin was increased from \$2.50 to \$3.00 effective immediately.

4- The General Manager was directed to inform all chapters that QCWA membership cards and certificates are issued by QCWA Headquarters and cannot be printed by Chapters. Likewise, QCWA stamps must be procured directly from QCWA Headquarters.

5-A valid petition signed by 105 members of the S. Calif Chapter nominating Mr. Harry S. Gartsman W6ATC, for Director has been received. His name will be placed on the election ballot.

6- The formation of the Mohawk Valley, NY, Tulsa, Okla., Nevada and Metro NY chapters was approved by the board, as well as the election of 194 new and 4 re instated members during the period Jan 1st to May 31, 1969.

7- The General Manager was authorized to procure new QCWA stamps in red and white stamps.

8- A Standing Membership committee comprising Messrs. David Talley, W2PF, Jack G. Anderson W1FDH, and Mark J. Devaney W2NQR, was appointed to advise and assist the General Manager in the administration of membership applications and related matters per Article I of the By-Laws.

9- The Board discussed various other matters including A QCWA Award and Scholarship program, establishment of a Foundation and financial matters but took no action at this time.

CHAPTER NEWS

CLEVELAND CHAPTER: On May 17th the chapter had its semi-annual dinner meeting at the New Masonic Al Koran Mosque. An excellent meal was enjoyed by the 31 QCWA members present. Speaker of the evening was Richard Egbert, W8ETU, who is the Ohio S.C.M. He spoke on his duties as Ohio SCM, and various field activities sponsored by the ARRL such as Official Observer, Intruder Watch; etc. He then gave a very interesting talk, illustrated by slides, on his recent visit to Thailand. He won the door prize too. Cleveland QCWA has instituted a new policy. Only members listed in QCWA yearbook are now advised of the meetings. members are urged to bring guests.... Cleveland like many other chapters are constantly losing members who are retiring to Florida. They could very easily establish an Ex-Cleveland QCWA chapter down there. The most recent loss to Florida is Doc Howe, Ex-W8EBJ...Chairman John James appointed Geo. Wagstaff W8AZW as Official Photographer and Werner Sauber W8KC as historian, W8DS the secy is advising members who are, or who are about to become delinquent to send in their dues...The next Stag meeting is scheduled for November 8th. Plans are being formulated for a gala Spring affair which will include the ladies.

CHAPTER NEWS

NEW ENGLAND CHAPTER: Meeting and luncheon was held on April 12th, at the Lord Wakefield Motor Hotel. 35 members were present, including several wives. The following were elected office for the ensuing year; Chairman W1VN, Secretary/treas K1AAQ. On April 19th the QCWA members were guests of the OOTC at a luncheon in Sandwich, Mass. Mike Sanella W1LR was recently appointed Legal Counsel to the Mass. Emergency Communications Commission. This in addition to his duties as Legislative Attorney for the Dept. of Public Works. W1DFS, while on vacation at G2UF has been working N. E. OOTC and QCWA members on 15.

Judge Ray Whannel W1PHP has moved to Springfield, Ill. The chapter and OOTC shared a booth at the ARRL Convention in Boston May 24, 1969.

CANTON CHAPTER: Dinner meeting was held on Feb 22nd in the Tow-Path Lounge of the Massillon Motor Inn. Business for the evening was set aside in order to honor Mr. Robert Roy, W8HR, and wife Vici, on this, their 52nd Wedding Anniversary. A "Believe it or not" item has happened - 52 persons stood and applauded Mr and Mrs Roy when the anniversary cake was presented. (a total of 54 were in attendance) Dr. Barnes W8DVM much improved and thanks every body for those fine get well cards.

Otto McVey W8RZ reports recovery from recent heart attack and expects to attend next meeting.

AKRON CHAPTER: New officers for 1969 are; Jim Trutko Chairman; Frank Platner Vice Chairman; Robert Vaughn Secy/treas, and Trustee Chet Rataski. No tother news from this chapter.

PITTSBURGH CHAPTER: The new secretary of the chapter is W3UHM Zigmund Muszynski. W3ETD has moved to San Diego.

BALTIMORE CHAPTER: Held their 6th annual dinner meeting Saturday April 12, at the Statler Hilton Hotel and was well attended. A very interesting and illustrated talk was given by Don Tinari W3RYQ of NASA. The following new officers were elected for the ensuing year;

WASHINGTON CHAPTER: The chapter held its 13th annual banquet on March 8, 1969 at the Washingtonian Motel and Country Club Gaithersburg, Md., As usual the chapter banquet has become an established function where officialdom and amateurs meet for socialbility. Attendance of about 250 included many VIP's and notables representing the FCC, The ARRL, Hqs QCWA and the various military services. Bill Grenfell W4GF, the Chapter chairman presided over the affair and displayed a remarkable ability as toastmaster for the evening, altho he claimed never to have had experience in directing an affair of this magnitude... Bill Leonard W2SKE, VP of CBS in charge of news, was the featured speaker and gave a most interesting talk. John Huntoon, W1LVQ, Secy and General Manager ARRL introduced the feature speaker of the evening. Frank Gunther W2ALS presented 50 year award to H. H. Robinson Sr, W3RE, past chairman of the chapter.

The chapter reports having its second quarterly meeting June 9, 1969 in the auditorium of the Perpetual Building, Silver Spring, MD, Bill Grenfell W4GF presiding. Upon completion of a rather short business meeting Robert M. Booth W3PS/K4PS Counsel for ARRL gave a report on the recent ARRL board meeting. Highlights of the meeting were described as well as his impressions derived of the performance of the board. Rather than discuss the various actions he suggested since the entire minutes would be published in the July QST issue, it would be better to read the minutes as written rather than for him to probably make a mistake or two which wouldn't be too good..... Following Bob Booth's presentation Connie Mac W3EPC presented info concerning the Saturn V Oppolo configuration present efforts to land a man on the moon. By use of color slides and a tape recorder the entire presentation was presented in sterio to those in attendance thru the various stages of the program up to the successful Apollo 9 flight. Info was presented re the Apollo 10 flight in detail, however slides were not available. The audiance was captivated by the method of presentation and easily followed the narrations by W3EPC

DELAWARE VALLEY CHAPTER: Reports that Past Chairman W2PXZ while working in his driveway tripped over a plank and broke both elbows and one wrist. He will be immobilized for some time. A "Cheer" to Larry will certainly cheer him up. A meeting on March 22nd at the Buck Hotel, Feasterville, honored 15 members who have reached their 70th birthday. They were presented with a Gold Certificate and a paid up lifemembership card in the chapter. The old timers? Well; W2ABQ, K2AZ, K2BX, W2CFB, K2EW, W2QUH, W2RLY, W2WI, W2ZI, W3DQ, W3OM, K3HWZ, K3PT, W3RV and W4RUC. Long life ole buddies Gil Crossley, W3YA gave a short talk on licensing aboard as well as the Florida affair. The next meeting is scheduled for July 12th at the same place.

SAN ANTONIO CHAPTER: Election of officers were held and the following were elected for the next year; W5EJT Chairman; W5KJ Vice Chairman; W5LPO secy-treas. They also held the very first annual dinner and cocktail party which was a huge success. Surprisingly enough the XYL's had a real gab fast on their first meeting. Guess they were commiserating with each other on the care and feeding of Hammus Raddius....

CENTRAL FLORIDA CHAPTER: We now have 3 chapters in Florida and this one seems to be going places. The Charter was received and their first meeting will be the "Charter" get together, which will be held in mid June. There will be much, much business to be cleared, so no speakers, or entertainment. One matter that has to be brought up is the net freq., to meet on. At present they have been meeting on 7240Kc Saturday noon. Officers of the new chapter (see picture) are; W4PI Secy; WA4NXA section chief Leesburgh-Mt Dora area; K4FC Vice chairman; W4SRG Chairman; K4GJ section Chief Daytona-Ormond Beach area. Pioneers of the old radio days. WA4NXA use to run the old morse wire down the coast to NBC stations., when he was with WEAf and W4PI was at WJAX. Thus far they have 33 members in the Chapter. Also not in picture; W4BFQ, section Chief Cocoa-Melbourne Area; W4ZVV, Section Chief of the Orlando area. W4YPA is alos W8RIN.

WEST VIRGINIA CHAPTER: Met on April 19 at Drumm-
onds Restaurant in Fairmont. Meeting called by
W8QR the chairman and discussed the need to
attract more members to the Chapter. W8JM and
W8HZA agreed to cooperate in this drive. Since the
Roanoke Div Convention is to be held Oct 11 in
Hunington a motion was passed to hold the fall
meeting of the chapter in Huntington. A QCWA booth
will be manned. The following officers were
elected for the 1969-70 term; Chairman W8CLX,
Vice Chairman W8BOK, Secretary W8HZA

UPPER MID-WEST CHAPTER: Held their spring meeting
on Thurs. April 24 with 41 members in attendance.
Which included the ARRL Director, Chas. Compton.
W0ZWW is presently serving and chairman of the
chapter and W0HP secy-treas.

GATOR CHAPTER: New officers are Chairman W2BU,
Vice Chairman W4TPA, and Secy/treas WA4FIU. Last
meeting of the year was May 29, now vacation until
October. On Feb 8 the chapter had a meeting at
McDill AFB for noontime lunch. Ladies were also
present and the total was 204 (Hey Scal get that)
After lunch Gen. T.J. Conway W4EII QCWA member
presented a gavel and board to the Chairman W4HFR
Elmer (The Great) Huddleson. An interesting trip
around the field was enjoyed by all, plus a pres-
entation of a fine film Apollo 8 shot.

SAN DIEGO CHAPTER: They now have over 70 members
in the chapter and at their annual meeting Mar 9th
they had 43 present. W6IL W6GTE K6BV and W6KW were
there also. Romeo (K6YRF) believes that Orange
county should have their own chapter Lou W6BKZ is
chairman and K6YRF secretary of San Diego Chapter.

NEVADA CHAPTER: This chapter finally got ten
members together for a meeting and have received
their charter. Temporary chairman is W7CSB and
temporary secretary is W7CMV. All interested Nev.
hams wishing to join this chapter get in touch
with John Neal W7CMV

NORTHERN CALIF CHAPTER: This chapter will have a booth at the ARRL Convention in June. A lot of work by members of the chapter in preparing for this event and looks like the QCWA breakfast will have quite a crowd on June 15th... Their annual picnic is to be held on Sept 14th at the Sonoma Golf and Country Club. (My old sidekick Jim Whitaker, I knew when he was W2BFB, is a member of this fine chapter) Leon Bartholomew W6LC wud like to establish regular contacts with the QCWA old timers, Bart was a spark ham, and remembers many of you. W6WDY and XYL just returned from a trip (camper) to Cape Horn. He had a QCWA sticker on his camper and met many hams because of it. : K6MG is recuperating from several heart attacks. He is in the Veterans Hospital Palo Alto Calif. Drop him a card full of cheers.

ARIZONA CHAPTER: Elected new officers: Chairman K7ARR; Vice Chairman, W7BP; and Col Brown K7NTG secretary. Activity has been confined to the net meetings every Sunday 0900MST on 3933Khz. K1BS who is spending the summer in Sun City is a frequent member on the net. The chapter held their annual "Pot-luck" meeting at Kitt Peak Obs., The members toured the observatory and were enjoyed immensely. As usual the group gorged themselves disgustingly with the many delightful items of cookery contributed by the XYL's. W7PG(exW8PG) has moved to Phoenix. Altho the group meets every Sunday 0900MST on 3933Khz, they also meet during the week on 3933Khz at 1600MST, Mon, Wed and Fri. On 7290Khz at 1600 Hrs on Tues and Thursdays.

JOLIET CHAPTER: Held their meeting on April 21 at the QTH of W9KPC with nine members in attendance. The results of the 1969 QSO party were discussed, and expect a greater number to participate next year. Election of officers was held; W9CT Chmn; W9RCJ Vice chairman; and W9AQP secretary. The next meeting will be a picnic to be held on July 19th at Inwood Park just west of Joliet. Picnic to start at 1 PM and to be "Pot-Luck" with the club furnishing coffee and pop. A membership ship pin with W9REA was ordered which will be mounted on a membership board in memory of John.

SOUTHERN CALIF. CHAPTER: The most successful Spring Dinner in the chapter's history was held in El Monte April 19. There were 161 members and guests, an all time high. Comdr Clay Bailey USN Ret., a hold of the Navy Cross, told them how things were in 1933-35 and 1939-40. Make a note of Friday night November 7, 1969, that will be the chapter's fall dinner, at the superb Petroleum Club, Long Beach. The Chairman Ray Meyers, W6MLZ long associated with the International Handicapped net, has been appointed to Pres. Nixon's Commission on the Employment of the Handicapped.

MID-CONTINENT CHAPTER: Meeting was held Feb 19th at Bob Ford's Restaurant. Chairman WØHG called the meeting to order at 8 PM following the usual convivial cocktail hour(s). 57 members attended this meeting called on this date to honor their good friend and QCWA member Harold Bourell WØAZ, who retired as Chief - Kansas City District Office of the FCC. In appreciation of Mr. Bourell's service and friendship a plaque was presented to him by WØHG on behalf of the Chapter.

HOUSTON CHAPTER: The chapter has decided to schedule the Thursday luncheons weekly instead of monthly. They are planning for the summer doings and more info will be given on the net frequencies 7245Kc 8:30AM every Sunday. K5JLQ suggested that Hqs QCWA print up membership certificates for all the chapters minus the name, of the chapter. Each chapter would then order their requirement thru Hqs. (Those chapters interested write to QCWA Box 394 Mamaroneck, NY possibly something can be done.)

MOHAWK VALLEY: A new chapter in upper New York state whose officers are Chairman W2GA; Secretary W2IS; Meeting was held on April 26.

FINGER LAKES: Is being re-activated and the new officers are; Chairman W2WS; Secretary W2SBI.

DALLAS CHAPTER: At a meeting held on June 19th, at the special dining room of the Wyatts Cafeteria W5NC gave a talk on the Houston Chapter. Also nominations for new officers for the next year. Bert Gunn W5FU conducts the QCWA "Meeting on the Air" each Sunday 8:30AM on 7245Kc.

NORTHWEST CHAPTER: The chapter reports that W7LT had major surgery and is in the Marine Hospital in Seattle. He is improving with the help of the NW Chapter Drake receiver. W7MTX is home from the hospital and also improving following surgery in Feb. The chapter is planning all out for its annual meeting in Vancouver B.C. They have over 100 who made reservations. VE7LL is heading the arrangements and indicates that they are going to surpass the Tacoma meeting last year. W7OS "Spike" is making a trip to Milford, Conn., and will visit old friends and members of QCWA W1HR and W1LQZ. The chapter net meets seven days a week on 7230Kcs W7HJU Representative of Section 4 NW Chapter said that Section 4 held their annual dinner at the Portland Motor Hotel on Feb 8th with 45 attending. The Secy of the NW chapter W7PN attended also. A good time was had by all. A cocktail hour from 6 to 7 PM after which dinner was served. This section is looking forward to the big NW Chapter affair in Vancouver June 7-8th.

METROPOLITAN NEW YORK CHAPTER - This is the newest QCWA chapter altho it has been in existence informally for over four years as the Amateur Radio luncheon club meeting monthly at the Engineers club in New York City. Chapter chairman is Dave Talley W2PF, and secretary Mark Devaney W2NQR. The chapter will continue to sponsor the monthly luncheon meetins which will be held at the Engineers Club 32 West 40th St., NewYork starting 12:15 PM on Wednesdays September 17th, October 15th Nov 15th and Dec 17th 1969. These luncheon meetings are open to any interested amateur.

One of the most widely read books of all time is "The Decline and Fall of the Roman Empire." Written in 1788 by Edward Gibbon it sets forth five basic reasons why that great civilization withered and died. These Were;

The undermining of the dignity and sanctity of the home, which is the basis for human society.

Higher and higher taxes; the spending of public money for free bread and circuses for the populace.

The made craze for pleasure; sports becoming every year more exciting more brutal, more immoral.

The building of great armaments when the real enemy was within - the decay of individual responsibility.

The decay of religion; faith fading into mere form, losing touch with life, losing power to guide the people.

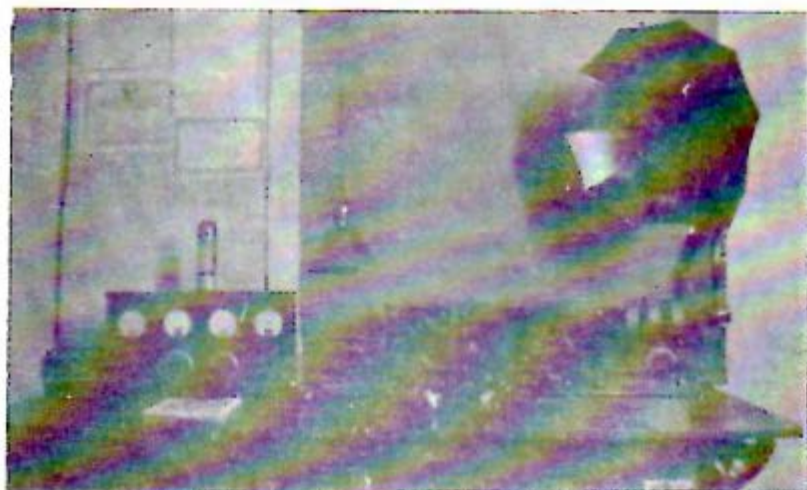

The oft-heard warning "history repeats itself" has an ominous meaning in the light of above. The average age of the world's great civilizations has been 200 years. These nations progressed through this sequence:

- From Bondage to Spiritual Faith
- From Spiritual Faith to Great Courage
- From Courage to Liberty
- From Liberty to Abundance
- From Abundance to Selfishness
- From Selfishness to Complacency
- From Complacency to Apathy
- From Apathy to Dependence
- From Dependence Back Again to Bondage

In a few years the U.S. will be 200 years old. This cycle is not inevitable - it depends on you.

In our daily life while talking, we engage,
One never like's to mention his or her age,
Except when your a ham, and this is why,
You like to impress the other guy.

Of how long you been at it, with mike and key,
And you can imagine, the other guy saying "Gee",
This old timer must be, he did'nt say,
If he is a member of the Q C W A.

They call these guys greybeards, how can they tell
When some of their members are X and YL,
They have an emblem of an old bearded guy,
Banging a key, sending sparks through the sky,

Twentyfive years with a license they say,
To become a member of Q C W A
There's also another, and I hope to be,
This is the one, they call O O T C.

When you are a ham you like to rage,
How many years you have, like a wise old sage,
There's young squirts & old squirts and even kids,
When your not a ham, you like to be kids,

Young at heart and all of these things,
But in Amateur Radio, you feel like a king,
Talking to friends on all the bands,
Even with some, in a strange foreign land.

Don't think I'm bragging, I'm no prize,
But I am one of the greybearded guys,
I'm listenging and looking for you,
My QCWA number is five six seven two.

We do not have the space, but we have
received a good one from W0TLE and will
be in the next newsletter.

W2ZI Ed Raser was in the Hospital in Trenton;
with a strangulated hernia; seems he tried to
life the lawnmower.

Check your Id card, if it expires Dec 31, 1969, you owe for next three years dues. If have paid dues and have not received your ID card, write to QCWA Box 394 Mamaroneck NY. This is the last newsletter to members who not paid their dues.

RE QCWA Nets; some of the members want W2JE to come up on 21445Mhz, Sundays 7PM Eastern time. If 21Mhz is not good then W2JE will shift to secondary frequency of 14288Khz. Also at 9 PM Eastern time the CW net will be on 7058Kcs every Wednesday evening.

Immediately after the Board meeting of June 18 W8ALP ran downtown to the FCC office to take and pass the Amateur Extra Class test.

Congrats to W2ALS Frank Gunther on the receipt of the De Forest Audion Award from the VWOA. This award, in the form of a triangular gold medal, was given to W2ALS for his many valuable contributions to Radio.

A recent "Silent Key" was Albert Reiss, W2BN, QCWA #535, who passed away May 5 1969. Al, who was first licensed in 1928, had been an active QCWA member since 1953. He served as Pres., of the Radio Club of Brooklyn 1960-1962 and was secretary of the ITT Worldwide Amateur Radio Club. Al was an attorney on the corporate staff of ITT Corp., for many years.

CHAPTER STATION'S CALL LETTERS. Chapters who hv their own ham stations are requested to advice QCWA of their station's address and call sign. It is proposed to compile a list of such stations for inclusion in the next QCWA Year Book. For Example: W8BN - Toledo Ohio Chapter.

QCWA JUMPSUIT NET: This informal net, now in its seventh year, meets Sat and Sun on 14232Khz starting about 1500Z (1100AM EDST). QCWA officers and Directors usually attending include; W2KW-W2NQR W2PF-W2KH-W2BW and W1FDH. Many QCWA members from different sections of the US often report in.

LETTERS

W2AMB Our former treasurer writes, "I am still wondering how I found time to "Work" at the "But-fractory" for in retirement at Toms River, NJ., there have been so many things to do, places to go, one wonders! Had a ball with my transceiver as W2AMB/4 on the west coast of Florida from Jan thru March working all bands. Visited the Gator Chapter and had a fine time meeting old friends of yesteryear along with a fine dinner. Attended a few Goldcoasters dinners and flew over to meet old friends W4DKJ and W4IP! It was very nice meeting K6LY now in Ft. Lauderdale, with whom as 2NZ we were one of those that got across the pond to Paul Godley. Aha, those were the good ole days. I would like to thank all those whome we visited with, especially ole WA4TRR, for their fine hospitality and making us feel "Welcome" and regret that there were so many that could not be contacted. Maybe next year, the Lord be willing Would like to extend my very best to the Officers and Board of QCWA and hope our new Treasurer W2NQR, has the situation well in hand."

Earl Monath W3QER our very active recruiter, who gets many members for QCWA write that we forget to list LU8BAJ in our yearbook. Well that will happen and I am sure Carlos will forgive us this time. We will make sure that the 1970-71 book will carry his listing. A letter to Carlos LU8BAJ a long time member was sent and every thing explained. For the record LU8BAJ is Carlos E. Trench El Maestro 151, Buenos Aires, Argentina.

Jack Gray W8JDV who has a large collection of old time gear writes that his book "BITS OF WIRELESS HISTORY" a fine collection of over 70 items has been printed with pictures and descriptions. The book sells for \$2.25. Profits go to maintaining the museum. (A good buy fellows, see picture elsewhere herein)

K6GI writes that his street address is SOBEY RD not SOBEL RD, so make correction on page 50 of the 1968-69 yearbook.

W1PB/K4GK Charley Baptist writes that he will be W1PE/MM from Feb 15 1969 for six months. To look for him around 14300Kc, 21350Kc and 28800Kc. His permanent address is now 301 Vinson Ave., Zephyrhills, Fla.

Lee Bolen W6UP says "Heres my \$25 for life membership to one of the greatest groups in ham radio. And hope to participate in as many of the club activities as my health permits" (OK Lee and our kindest regards for a full healthful life.W2JE)

W9JNI Charley Barringer says in early spring of 1919, he and W9TLB of Chicago, rode 18 miles North of Warsaw Ind., to Milard Junction, walked 2 mi., west of there, to see their first, really complete early wireless station, operated by Quimby Elkins, Within two weeks or so they were using spark coils to practice and talk across town. They heard KDKA before they ever did broadcast, and except for chasing girls they were back practicing code in early 30's. Their trip was made on the Inter-urban 7PM and had to hurry to catch the "Owl" midnight last car. Dem were de days, of Real Sport says Charley.

FROM THE GENERAL MANAGER W2JE

Well brother QCWA'ers it had to come, the prices of pins or buttons has gone up. Starting July 1st the price will be \$3.00 each, and the 50 year badge for eligibles will cost \$2.75.... Say did W4EYA Jim Strait meet our new member W3KDH, Norm PLUMB.....Talk about workers, ole "Trow" Trowbridge W2NVB and W1DV has been working hard every Friday night at the Durland Scout Center teaching Boy Scouts the theory and code, he is doing a mighty fine job and has quite a few new novice licenses already.....We got a new champ recruiter,, W5RG..my, my what an active QCWA'er we have sent over 20 applications for him, and 14 have returned them with dues etc...good work ole buddy... Another XYL has joined our ranks... Theresa Korn K7JGU... and the first overseas OM-XYL combination just sent in their life membership money -KP4CK Felix, and KP4CL Alicia Rodriguez of Port Rico....You 50 year men send in for the application for the award before Sept 1st PLEASE, HUH!

FROM THE GENERAL MANAGER---

We now have a Post Office box, so please from now on send all mail to P. O. BOX 394, Mamaroneck, NY 10543, and not to W2JE address.....make it a note now willya.... REMEMBER QCWA, Inc, Box 394 Mamaroneck, NY....We had a little trouble with dues checks going to the wrong party, if you have paid your dues and did not receive a new ID card please let us know the date you paid and check number a photocopy will help us.. we will then check back and see who cashed that check and get your money back for dues....PO goofed a couple of times, but luckily we found who had cashed the checks and got our money back....And oh yes, lest we forget another OM-XYL team joined QCWA, they are Mary and John Hoyt, W6GA and W6VN, maybe they will send a picture for our newsletter....At least 45 members of QCWA are on RTTY, so in our next party lets hv a frequency for them to operate on, inform me what frequencies you want to use..... Hey did you know that - Tho the Pony Express has an enduring place in American History, the Missouri to California line existed only 18 months... SECRETARIES OF CHAPTERS - PLEASE SEND ME A 3 x 5 WITH THE NAMES OF YOUR NEW OFFICERS.. WOULD LIKE TO HAVE A CARD ON EVERY CHANGE....PSE...W2JE... Did you know also that the origin of placing the engagement ring and wedding ring on the third finger dates back to the Egyptians, who believed that a nerve ran from that finger to the heart... and the only non-Texas member of the SW Conference is Arkansas....HI....ALSO PLEASE NOTE -- QSO by W2JE on 14263Kc has been dropped because many foreign members want to work W2JE. so now we are using 21445Khz 7:00 PM Sundays. If band is bad we will shift to 14263Kcs. Also our 40 meter CW will be on 7058Kcs every Wednesday 9 PM EDT....However, since vacation time is here W2JE will not be on from July 1st to Sept 1st 1969.... K2BX's sister passed away Feb 23rd, our sincerest condolences, Merrill...W2NFM has transmitter trouble.. did not detune quick enough.HI... You know something, we Americans sing the Star Spangled Banner(first verse always) but do we remember or realize what the last verse means. Today with all these demonstrations against the "Establishment" I should remind you of the last verse.....

JUNE 1969

FROM THE EDITOR

Listening on the bands you do hear somethings that to my mind will bring a bad taste to the general public mouths. I refer to the bad manners and rough language some of our younger amateurs use. It would seem that we the old timers can do something about this. Maybe we can make contact and remind them that to continue such activity will only bring the wrath of the FCC and other amateurs on their heads. Or possibly we can talk to them about courtesy and kindness on the bands. Suggest you read W2YEJ's contribution to this volume of our newsletter. Actually nothing appeals more to the best in human nature than Kindness and Generosity but it calls for the exercise of caution in many particulars; we must, in the first place, see to it that our act of kindness shall not prove an injury either to the object of our beneficence or to others; and second that it shall not be beyond our means; that it be proportioned to the worthiness of the recipient. We have tried other methods, such as talking to these hams with bad manners and it does not work. Lets change our tactics and try the Kindness method.

It is up to us to police the bands and see to it that we all obey the FCC rules. Only in this way can we be assured of continuance of our Amateur frequencies.

1969 QCWA QSO PARTY

A total of 93 logs were received by W9AQP, sponsor this years QSO party. Many of the members sent in their comments on how to better next years QSO party, and we will try to incorporate them for our members. It was suggested that the party start at 0000GMT Saturday and end on 2400 GMT Sunday. This seems to be better, as 2200 GMT is too early for many westward. Also suggested that the same format be used on all logs by everybody, this will be taken care of by inserting in the newsletter the correct log to be used by all. The RTTY gang seem to be left out during the party, on our next party the RTTY gang should get on, we would like to know what frequencies they wish to operate on and it be included in the frequencies chart. Several members commented that the QCWA party be strictly for members. This is so, altho we cannot stop the non members from calling in. In conclusion everyone enjoyed the party and many are looking forward to next years party with the new "2 letter calls" who will have a ball with their new "toy"
